TRAINER'S PROFILE

Ir. Ang Pey Char is an insightful speaker and workshop facilitator who is both fun and practical. Holding on to the philosophy that everyone is endowed with great potential only to be discovered and developed, Pey Char's strengths lies in her ability to stay focused on key issues and find pragmatic solutions that produces lasting benefits. Meeting her for the first time, one will quickly realize that she is an easy going and approachable person.

Her diverse experience in life made her a highly resourceful trainer and therapist. She is a Professional Engineer, trained in the field of engineering and finance, holding an MBA and a Bachelor Degree in Engineering. She is recognized as a leadership talent amongst her peers and superiors during her career in the corporate sector. A recipient of leadership awards, she is known to lead with passion and authenticity.

Pey Char is a Certified Master Practitioner of Neuro-Linguistic Programming who firmly believes that if one wishes to change the outcome of something, one needs to first change the inputs. "Many of us want to change the results that we produced in life, be it career or relationships or anything else, without realizing that we have to first change what we put into our lives!" quips Pey Char whenever she talks about lasting transformation. She now trains with NLP and inspires people to be catalyst for change using the principles of NLP.

In her free time, she enjoys travelling to new places, reads, exercises and volunteers her resources in social activities. She finds it fulfilling to assist people in discovering their potential and achieving their life purposes.

1-DAY COURSE PURSUING A FULFILLING CAREER USING NLP

Synopsis

Have you ever woken up in the morning dragging your feet to work? You can now make a difference. By knowing what values drive you at work, you can now wake up every morning feeling energetic and eager to go to work. You can chart your own future.

Furthermore, with Neuro-Linguistic Programming (NLP) skills, you will be able to achieve personal breakthrough by using the language of the mind to consistently achieve specific and desired outcomes.

This course enables participants to discover more about themselves and to set their own career goals holistically that can lead to real excellence. Life is too short to be wasted on non-fulfilling job.

LEARNING OUTCOMES

At the end of this course, participants will be equipped with:

- Higher motivation at work with in-depth understanding of what drives one to achieve peak performance at work and by aligning work with values.
- Improved personal power and confidence by breaking through thinking and achieve personal transformation.
- Better interpersonal skills with people.
- Greater communicative capabilities for inspiring, coaching, managing and leading people.
- Increased confidence in oneself, with career goals set holistically.

COURSE OUTLINE

This course is designed to discover your values at work using NLP as well as cultivating the use of NLP techniques and models as instruments in achieving results. The course includes hands on exercises and demonstrations for better comprehension.
