PMP® EXAM PREP COMBO*

SYNOPSIS
Master the PMP® and CAPM Certification Exam using the unique COMBO approach!

This COMBO course is designed to prepare candidates with greater confidence to pass the PMI®'s (Project Management Institute of USA – www.pmi.org) PMP® (Project Management Professional) Exam, which is obligatory for getting the world’s most respected and globally recognized PMP® credential for certified professional Project Managers.

The COMBO approach adopts a unique combination of 5-day face-to-face classroom training and 24X7 on-line E-learning. The classroom training will focus on the PMBOK® Guide, and other areas not specifically covered by the Guide, practice exercises and quizzes, and study and test-taking tips using PMI® terminology.

WHAT YOU'LL GET

- Satisfy PMI requirement of 35 contact hours of project management education
- Focus on preparation to take the updated PMP Exam Objective
- Understand the entire PMBOK® Guide, Fifth Edition, PMBOK terms, definitions, 5 Process Groups, 10 Knowledge Areas, plus the area of Professional and Social Responsibility
- Printed course manuals, study guide, exercises and practice test questions
- Over 35 hours of Videos of all concepts, formulae, theories and project management practice
- 24X7 Web and Mobile access to E-learning
- Master test-taking techniques & learn styles and types of questions found on the PMP
- Over 600 practice questions and quizzes, including a 200-PMP practice exam question and answers
- Exercises and quizzes covering every chapter of the PMBOK Guide

BENEFITS OF PMP CREDENTIAL

- PMP® credential is the profession’s most prestigious and internationally recognized credential for certified professional Project Managers.
- Demonstrate that you have a solid foundation of project management knowledge that can be readily applied in the workplace, and as a result you are able to command respect and a higher salary.
- Gives you a competitive edge in enhancing your career and promotion prospects.

ABOUT THE COURSE LEADER

Trainer Profile
Ir. Frankie Chong
(B.Sc. Hons., MBA, PEng, MIEM, PMP®)

Ir. Frankie Chong, a graduate of University of Manchester (UK), Professional Engineer, certified PMP® trainer, HRDF and CIDB approved trainer, international speaker and professional trainer, has more than 35 years of experience in leading and managing many large and small projects in various industries such as engineering, telecommunication, construction, IT, education, military and finance. Among his many successful achievements, Frankie was instrumental in:

- Developing and implementing multiple nation-wide multi-million dollar engineering, telecommunication infrastructure and construction projects.
- Re-engineering a 2000-user Fault Management Systems serving 4 million telephone customers, which brought about a leapfrog improvement in operational efficiency and quality of customer care service.
- Developing industry standards, best practices, methodology and conducting training programs and consultancy services in the project management domain.

Currently, he holds a Professional Engineer (No. 4001) status registered with the Malaysian Board of Engineers, a certified PMP® (Project Management Professional No. 512593) credential from Project Management Institute (USA) and is a certified trainer registered with the government PSMB (Human Resource Development Fund). He is actively involved with the government Construction Industry Development Board, being a Certified Construction Project Manager, panel expert and trainer in National Competency Standard course development program in Construction Project Management.
